Additional Information

If you would like additional information on anything regarding program finances, please contact us at info@created.education and we would love to have a conversation with you to figure out a financial plan for our program.

Student Part-time Work

To offset the expense of the program the majority of our students choose to work at part-time job in the local Black Mountain/Asheville community. Part-time work can effectively cover a large portion of the cost of the program and exposes students to enriching experiences outside of the classroom.
