

WE WANT TO HELP YOU GET HERE

We offer travel vouchers up to \$800 for a student and parent. Vouchers are awarded to rising juniors and seniors in high school (or older). In order to qualify for a travel voucher, students **MUST** travel with a parent, with the following exceptions:

- Students are financially independent and not reliant upon parents for tuition support.
- OR**
- Parents set up a phone call with the CreatEd team prior to the event.

There are FIVE steps to receiving a voucher:

1. Register for RE:Created by completing the online form.
2. Fill out the travel voucher application, which is sent out after registration.
3. Complete a phone interview with a staff member (this is coordinated with you during the process).
4. If approved, you will be in charge of arranging your own travel details (flying or driving).
5. Receive a travel voucher in the form of a check at registration.
